Dear Saarbrücken residents,

We want Saarbrücken to be a city for everyone and as such give consideration to the diverse interests and circumstances of different social groups. It is my personal conviction that fair opportunities for everyone are the best guarantor for social cohesion. It is therefore important to enable recipients of citizens' income (formerly ALG-II), income support (subsistence support and minimum cover) and recipients of benefits under the law pertaining to benefits for asylum seekers (AsylbLG) access to Saarbrücken's cultural and social life. The previous "Social Card Saarbrücken" (SozialCard Saarbrücken) is now being replaced by the "SOCIAL CARD for the Saarland" (SOZIALCARD für das Saarland), which since 1 October 2022 has been available from all Saarbrücken job centre offices and the social security benefits departments.

The state capital Saarbrücken can continue to use the "SOCIAL CARD for the Saarland" in coordination with the state, the metropolitan area (Regionalverband) and the job centres as proof of entitlement for its citizens, also over and above the concessions on public transport, offering additional discounts in cultural and recreational facilities in Saarbrücken, as well as free admission for example to the museums of the Saarland Cultural Heritage Foundation (Stiftung Saarländischer Kulturbesitz), etc.

This information flyer provides you with more information about the discounts the "SOCIAL CARD for the Saarland" provides and where you can apply for it. I hope you take advantage of the benefits the "SOCIAL CARD for the Saarland" offers.

Uwe Conradt
Presiding Mayor of Landeshauptstadt Saarbrücken
